LIFT UP IN PRAYER

Karla Reeves remains at Spectrum Hospital following a brain biopsy. She is now off the vent, but continues to have problems swallowing. She should be moving to Blodgett soon for rehab as she enters the marathon part of recovery. Pray for peace and patience for Karla and the family during this time of separation from each other.

Sandy Lemmen had open heart surgery for a heart valve replacement this past Monday, and has been in the ICU for recovery. We pray for Sandy and Wes during her recovery & healing process.

Scott McIntyre's father, Gordon McIntyre, has had a rough time after his heart valve replacement with several complications. Also, Kay and Scott's son-in-law, Josh DeKraker, was severely injured in a scooter accident. Prayers are needed as the doctors wait for his brain swelling to go down.

GRATEFUL HEARTS

Thank you for your continued prayer support for my father, Pastor Ed Visscher. He is getting stronger every day. He is able to move around a little better with assistance from an aide and also get to the dining room. He is in good spirits and is reading God's word daily. Thank you for the cards, he receives 1-4 daily. God has truly blessed him with a caring church family.

-Vicki Olsen (Pastor Ed's daughter)
